

## Nearly Wild Weaving – Taking tapestry weaving into the outdoors

May 4 – 6th or May 11th & 12th

At and around Underhill Farm on the Shropshire/Wales border

Come and spend two or three relaxing days based at Irene's studio on a quiet smallholding on the Wales/Shropshire border, exploring nature and the countryside through the art of tapestry weaving.

Suitable for beginners and more experienced tapestry weavers. If tapestry weaving is completely new to you, Irene will show you the basics so that you can create your first woven tapestry; if you have experience, this is an opportunity to take your tapestry weaving practice out of the studio and try a different approach. Regardless of your experience, this will be an opportunity to share creative time with like-minded people.

May 4th- 6th £150

May 11th & 12th £100

Fees include use of equipment, simple refreshments and picnic lunches.

Self-catering and camping available on-site, B&Bs nearby.
